

# Housing Management Services

- St George Community Housing is responsible for managing the public housing tenancies as part of Newleaf Communities.
- St George Community Housing is a not for profit community organisation that welcomes tenant involvement in its management
- They have 35 years experience managing social housing and have won many awards for excellent service
- Social housing tenants keep all their rights and responsibilities
- Your dedicated housing manager will be your main contact person. You can discuss all your tenancy needs with your housing manager
- We will follow up your enquiries by the next business day
- We will regularly walk around Bonnyrigg and get to know you and your neighbours
- We will organise social BBQs and coffee sessions to talk about community issues and ideas
